

# Program Schedule

## January 2025

**10 JAN**

### **Story Stroll: 10-11am**

Enjoy a couple of stories inside and then head out for a short discovery walk. Designed for young children (0-5yrs) & their caregivers. Freer Field Community Room.

**11 JAN**

### **"Signs of Life" Winter Hike: 1-3pm**

It might be winter but there is still plenty to look for in nature! Join the naturalist for a hike to look for signs of life. Audubon Wetlands.

**12 JAN**

### **Nature Journaling: 2-3pm**

Explore your creativity through nature journaling (writing or drawing in response to nature). Journals & basic art supplies provided. All ages welcome. Fire Company Nature Cabin.

**16 JAN**

### **Nature Explorers Club: 4-5pm**

A monthly club for elementary-aged kids (6-12 yrs old) to explore the outdoors and learn about the natural world. Children must be accompanied by an adult. Freer Field.

**21 JAN**

### **Stories of Conservation Film Series: 6-7pm**

Come view episodes of "Wild Hope", a series highlighting "heroes we can rally around, actions we can share, and optimism we severely need." Freer Field Community Room.

**23 JAN**

### **Homeschool Program: 10am-12pm**

Homeschoolers (6-12 yrs old) can enjoy nature-themed activities and discovery hikes to learn about the natural world. Registration required. Fire Company Nature Cabin.

**31 JAN**

### **Owl Prowl: 6-8pm**

This time of year, owls are looking for mates and getting ready to lay eggs! Come for a night walk to see if we can hear or spot these beautiful birds! Bring a headlamp/flashlight. Byers Woods.

# Program Schedule
